"Good art inspires, good design motives"

Otl Aicher

Os acessórios para banheiros **METALWORKS** by Crismoe são fabricados em latão (liga de cobre e zinco), provenientes das melhores usinas, com acabamento de qualidade artesanal e são garantidos por dez anos contra defeitos de fabricação. Os toalheiros térmicos são fabricados em aço inoxidável AISI 304 e recebem garantia de dez anos na estrutura e cinco anos nos componentes elétricos, consolidados como líderes de mercado por seu design e características únicas.
